This disclosure is required by rule of the Supreme Court of Iowa. A description or indication of limitation of practice does not mean that any agency or board has certified such lawyer as a specialist or expert in an indicated field of law practice, nor does it mean that such lawyer is necessarily any more expert or competent than any other lawyer. All potential clients are urged to make their own independent investigation and evaluation of any lawyer being considered. This notice is required by rule of the Supreme Court of Iowa.

If yours is a chiropractic case, we'll tell you; if it is not, we'll tell you that too.

We only accept the cases we sincerely believe we can help.

Our recommendations are based on the results of your chiropractic exam, EMG scans, x-rays, not the limits of an insurance company's plan.

In America, you are
not required to offer
food to the hungry. Or
shelter to the homeless.
In fact, one of the nicest
things about living here
in America is that you
really don't have to
do anything for anybody.

To the 80 million of
you who volunteered
time and money last year,
thanks for all you've given.
Imagine what more

**Can you find the accountant?****(Hint: He's the one next to the marketing director.)**

Today, more accountants, marketing directors and construction workers are serving in uniform than ever before. In fact, more than 50 percent of today's military is made up of members of the Guard and Reserve. Which means people from all walks of life are even more relied upon to make up our armed forces. So if you employ members of the Guard and Reserve, please give them the freedom to protect ours.

(And, by the way...the marketing director is next to the schoolteacher.)
